Ms. Miller - <<Decision 2010.pdf>>

I have received the copy of the order (attached). Can you provide me with further information/clarification on the student's schedule at Lindamood-Bell - what days/what hours is he supposed to be there?

Also, FYI, OPT has no role in item 3 of the order regarding "fronting" the funds for private car service. This appears to be redundant with respect to item 2, which provides for MetroCards during "off time" and "breaks" when busing may not be available and, depending on the student's schedule and whether transportation is required after August 18, may also be moot, but, IF it is in any way relevant, OPT would not be the source of such funds.

Thanks.
